On recommendation of the President, the Board shall annually award:

1. Ten (10) full tuition Board Entrance Scholarships to high school graduates (or equivalent) based on individual application and adjudicated by the University. These are for students undertaking fulltime (12 credits or greater) studies. These would be renewable for up to a total of 4 years with a previous term GPA of 3.5 or greater in a fulltime (12 credits or greater) program of studies. These are the premier entrance scholarships awarded by the University.
2. Twenty -five (25) high school graduate scholarships of \$1500, applied to tuition upon registration at the University in 12 credits or more. Each year the University will determine which schools are to be offered these awards but every public high school in the official region will be included. They are non-renewable. These awards are adjudicated by the schools, but require a minimum high school GPA set by the University.
3. Thirty (30) \$1500 program specific scholarships open to students not directly out of high school. These are applied to tuition upon full time registration. The University adjudicates these awards. The President, upon the recommendation of the scholarship committee, determines specific program details.
4. Up to twelve (12) athletic awards to outstanding students.
5. In addition to the above, at the President's discretion, up to three (3) \$1500 scholarships to outstanding students to assist in recruitment.

#### Paul Gallagher Scholarship for Excellence

Dr. Paul Gallagher, former President of Capilano College, was noted for his scholastic achievement, qualities of leadership, enthusiastic approach to work and leisure, and warmth and compassion towards others. In 1985, the Capilano College Board established, with the Capilano College Foundation, a permanent award in his honour: the Paul Gallagher Scholarship for Excellence.

The award is presented at the President's discretion and consists of a maximum of one scholarship to one student for each academic year. The scholarship recipient, a continuing Capilano University student, can hold the scholarship for a maximum of two instructional

terms. For the scholarship to be extended to the second term, however, the recipient must maintain an excellent standard of work and conduct. The scholarship offers a tuition fee waiver and \$1000 to be spent on books and other educational expenses.

#### Douglas K. Jardine Scholarship

In 1995, the Capilano College Board established a permanent award, with the Capilano College Foundation, to honour former President, Douglas K. Jardine. This scholarship recognizes Dr. Jardine's leadership in academic excellence. Dr. Jardine contributed much to the creation of an enhanced learning environment, where innovation and dedication to student success thrives. The purpose of this fund is to use the interest earned annually to provide one or more scholarships for students to attend Capilano University.

It is presented, at the President's discretion, to an outstanding student in a full-time academic or career program after the completion of 24 credit hours of instruction in that program. The recipient must have a minimum cumulative GPA of 4.0.
